Israel finds proposed US arms sale unacceptable — Israeli Prime Minister Shimon Peres said in a televised announcement that the US-proposed arms sale to Jordan is unacceptable, even if the package is reduced from $1.9 billion worth of aircrafts and related anti-aircraft defenses. "Our feeling, contrary to the officials' opinion, that arms will lead to peace," he maintained. The only peace, according to Peres, is "to let have peace."

Kennedy Airport reopens — An agreement was reached last night for the reopening of Kennedy Airport, which was closed after bombs were found in the baggage area.

Charles and Princess Diana rebuff gossip — The following is a statement released by Charles and Princess Diana: "There is absolutely no truth to the stories in today's newspapers. It is not true that we are separating or that we are separating for any reason. It is not true that there is any future separation."

Klinghoffer died because he was "American, because he was a Jew and because he was a free man." — President Reagan

Iris Chang rebuffs book on Holocaust — The following is a statement released by Iris Chang: "I am not a Holocaust survivor. I have never been to Israel. I have never been to Nazi concentration camps. I have read many books about the Holocaust and I am interested in the subject."

Varela killed — The following is a statement released by Varela's family: "We are shocked and saddened by the news of our beloved son's death. We will miss him dearly and will always remember him with love and respect."

Young princes William and Harry tried their hand at being rock stars on a nearby piano. — Times (London)

Look who's in Harvard Paperbacks.

Emily Dickinson
Selected Letters
Edited by Thomas H. Johnson
A nine-volume selection from the complete letters of Emily Dickinson.

The Supply-Side Revolution
An Insider's Account of Policymaking in Washington
Paul Craig Roberts
An incredibly engrossing book about the supply-side revolution. Roberts, a former Reagan economic advisor, has written a book that is at once entertaining and informative. It is a must-read for anyone interested in understanding the economic policies of the US government.

The Warrior and the Priest
Woodrow Wilson and Theodore Roosevelt
John Milton Cooper, Jr.
A riveting account of the complex relationship between two of America's most influential leaders of the early 20th century. Cooper's narrative is at once engaging and insightful, offering readers a unique glimpse into the minds and actions of two of America's greatest leaders.

Ethan Dilemmas, 1964-1982
Nathan Glazer
A fascinating exploration of the complex political and social issues that have shaped American society over the past two decades. Glazer's analysis is both incisive and compelling, offering readers a deeper understanding of the forces that have shaped contemporary America.
