Turkeys tie Crimson

(Continued from page 20)

play guaranteed to work using magnetism. Excitement filled the Tech huddle as Stan diagrammed his play.

As the team emerged from the huddle, all the players lined to the right side of the quarterback. Sure enough, all the Crimson players followed suit. Quarterback Minor Huffman handed off to tailback Harold Stern who found extra wide open on the left side of the field. The perfectly timed play yielded a 25-yard gain, the longest of the day.

But the offense could move no further. The Tech once again returned to its touch-and-battle play — the punt. As the end of the game neared, the Wild Turkeys desperately tried for a last-second field goal through the Kennedy School building window. The kick landed harmlessly on the head of a six-year-old bystander.

Announcements

ATTN SENIORS:

Those who wish to apply for graduate study in the Department of Electrical Engineering and Computer Science during 1986 are urged to apply by Nov. 1, 1985. Applications may be picked up in Rooms 36-444 and 3-101.

The MIT basketball cheerleading squad is looking for a coach. Anyone with cheerleading experience should contact Paula Blizzard, basketball cheerleading captain, at 225-8522.

Undergraduates who are interested in communicating with high school students (and guidance counselors) what it’s like to be an MIT student are encouraged to join Project Commit. For more information please contact the Educational Counselor Office, 4-240, 253-3354.

FINANCIAL AID OFFICE

The “Statement of Registration Status” is still required of all male students who are (by law) expected to register for the draft, if they desire to receive federal financial aid.

Whether the “Statement” is also required of all other students as well, and whether it is required every year, has become an institutional option.
