**Best advisors are teachers**

(Adapted from page 8)

Meeting of these interests to become a teacher. It is true to say that teaching is a group of high-ideal people.

The most important to note is that the advisor is an essential role in the academic environment. The advisor is the one who guides the student through the academic journey. The advisor should be someone who is knowledgeable, approachable, and supportive.

It is also to our advantage that faculty advising of freshmen is appropriate and effective. It is to be steered into the appropriate educational stream right away for all students, academic and personal difficulties.

An advisor should be a mentor, a confidant, and a role model. The advisor should be someone who is approachable, available, and supportive. The advisor should be someone who is knowledgeable, approachable, and supportive.

Finally, #2 and Communications Professor Easell and others have stood up for their beliefs.

We hope that other professors will follow their example, and only work on projects in which they believe.

Best wishes does not exist in racist South Africa

(Continued from page 9)

The justice system in South Africa has been called a "sham justice system," and many feel that it is not effective. It is not to be compared with peace-time murder.

Howe Shipman go so far as to lead the NAACP-Martin for execution of a supposed member of a concentration camp ward?

To speak of just laws in racist South Africa is contrary like the one which is presented as a pseudo-objective driven which only object, in best Reformation fashion, the central issue: Justice is absent in South Africa until that moment of freedom is realized which the United States itself subscribes to majority rule.

Thomas E. Easell G

Shipman replies:

First things first.

According to Time magazine, Martin ad

Easell forensics in the conspiracy

after recanting his confession to

the murder. The man who turned

himself in to the local police.

I did not "abd.

The execution of Martin. I just said

not my speed, I would be better off

I'm not saying at all to the "Boers," and that we

should throw our power.

that we should throw ourselves wholly

should be consistent and for the United States for a

decide war on South Africa.

Finally, I am neither naive, nor

nor Rassie.

**Join us for an afternoon jog**

On Tuesday, November 5th and Wednesday, November 6th, representatives of General Electric will be interviewing at the Ashdown House on your campus. Please contact your placement office for schedule information.

Our Technical Recruiters would like you to join them for an afternoon jog on Monday, November 4th. We'll begin at 77 Massachusetts Avenue at 5:30 p.m., jog down Memorial Drive to the Boston U. Bridge, cross over to Storrow Drive and head down to the Longfellow Bridge, cross back over to Memorial Drive and finish up our 4.8 mile jog back at 77 Massachusetts Avenue. Some of our managers will turn back up Massachusetts Avenue at the Harvard Bridge for a 2.7 mile run.

If you're interested in meeting our people in a completely informal setting... to find out more about the General Electric Company... it's technical work and career opportunities... put your track shoes on and join us... pick up an MIT/GTE runner's shirt in the process.

If for some reason you can't make it... just remember your interview with General Electric on Tuesday or Wednesday.
