No one under the age of 30 has ever lived to the threat of nuclear war. Millions believe that they will die in a nuclear war within the next ten years.

There comes a time in history when young people must take a stand and become the conscience of the nation.

We need you to make it happen. We need you to create Nothing less.

On March 1st, 1986, you can take a stand by being one of the Five Thousand people who will leave schools, homes, jobs, and families to walk from Los Angeles to Washington, D.C. We will walk 15 miles a day. 255 days. 3,235 miles. Our one goal: global nuclear disarmament. Nothing less.

We need you to make it happen. We need you to create a citizen movement so massive that world leaders will have no choice but to abolish nuclear weapons. If you're eighteen or over, in good physical condition, and ready to devote nearly a year of your life to peace, then step forward. Help turn hope into history.

Look for the Great Peace March representative on campus today.
