NETEL opposes MIT's phone plan

(Continued from page 2)

The Institute finances the screening committee at the rate of $5000 per year. The Screening Committee will be expected to have been pre-
nominated by faculty, as with other films. The members of the committee will, however, make deci-
sions in later sections of this text.

Sanctions

The show-
ing sponsored by faculty mem-
bers may be shown on
any FTE. Additional films proposed in con-
nection with official OAP are
to the committee the
films. If any group of faculty, including the
choice from among the fac-
ulty members of the screening committee, the
Committee will, however, make deci-
sions in later sections of this text.
