The "Statement of Registration Status" is still required of all male students who are (by law) expected to register for the draft, if they desire to receive federal financial aid.

The following students do not have to file statements: women, underage students and those who have completed the statement in previous years.

MIT requires male students who have completed the statement by indicating they are "un- derage" to submit the statement annually until they have registered.

Students may find that OSI, and Pell Grant lenders require the statement where MIT does not.
