To the Editor:

makers (as we the students were the policy this was that we cannot be hypo-

pensive formula for the University. Simi-

rately one cannot assert that a South Africa-free port-

would therefore be a better current portfolio. However, it

hindsight. It is a simple matter to

talistic political issues is quite dis-

port for divestment and for so-

bit of workers' causes may bring more support to success with the strictly capitalist

state's economy, while uniting with workers' causes may bring more support in minority communities.

south Africa is a just cause and so are the efforts to terminate apartheid in South Af-

dition, and thus feel at a loss.

I feel that the MIT establishment

of minorities in South Africa di-

reason.

I personally believe that divest-
