Election controversy passes

Transactions into your native language are needed for industrial training. You will be well paid to prepare these translations on an occasional basis. Assignments are made according to your area of technical knowledge.

We are currently seeking translators for:

- Arabic
- Chinese
- Danish
- Dutch
- Farsi
- French
- Gujarati
- Italian
- Japanese
- Korean
- Norwegian
- Polish
- Portuguese
- Romanian
- Spanish
- Swedish

In-English translations from Russian, East European languages and many others also available.

Weil International language talents also needed.

All this work can be done in your home! Linguistic Systems, Inc. is the largest foreign language training agency, located a block north of the Central Square station.

For application and test translation, call Ms. Desormeaux.

Data Entry Opportunities

- Temporary Assignments
- Available Immediately
- Convenient Schedules

Your education in the "real world" is as important as your classroom education. And right now we need your knowledge and earn good pay with a leader in bank card data services.

You'll earn valuable work experience and self-confidence operating CR-2 and operating our electronic data systems. You'll even get the training.

An excellent incentive pay plan, a convenient location on the MBTA Red Line in Kendall Square, and a variety of schedules are available. This offer is subject to continuing need and may be withdrawn at any time.

Call now to get the shift that's best for you.
