TOP TECHNICAL, MARKETING, AND BUSINESS DEVELOPMENT GRADUATES

Did you distinguish yourself at MIT?

If so, then come to Oracle Corporation and do it again!

If you're in the top 10% of your graduating class and have academic credentials you can brag about, i.e., high school valedictor or salutatorian; Phi Beta Kappa, Sigma Xi, or other well respected honor societies; national merit winner, etc.; then we would like to talk to you about joining the best.

Oracle Corporation is a very successful, very fast-growing company which has established its place in the software industry with its premier relational database product, ORACLE. ORACLE is a SQL-based relational DBMS that includes a set of integrated application development and decision support tools.

Oracle Corporation will give you:

● Fascinating and challenging work. We need to staff these projects: distributed database, interactive graphics, and networking of heterogeneous machines, to name a few. Work on a variety of systems, including new IBM products, Apollos, Suns, MicroVAXes, and many PCs, including the IBM RT/PC.

● A superior work environment. Oracle headquarters is a beautiful new building in the rolling hills of northern California, with a view of San Francisco Bay. We're within 20 minutes of San Francisco, 40 minutes of the Pacific, and Lake Tahoe is 3½ hours away.

We offer exceptional salaries to exceptionally gifted, exceptionally disciplined workers. Every Oracle employee has a piece of equity in the company, and we provide complete medical/dental/life coverage. You can work the flexible hours that make you the most productive.

● A superb group of peers. Our development staff is made up of the smartest people we can find from the finest schools in the country. We hired 16 graduates from the class of '86. We want 30-40 graduates from the class of '87.

● A sign-on bonus. If you meet the Oracle standard you may be eligible to receive a one-time bonus equal to 10% of your starting salary at Oracle.

We are looking for people to work in all of our divisions: Development, OEM, Field Sales and Support, Corporate Support, Consulting, and International divisions. If you have an interest in any of these areas, please sign up for an interview, or call us collect. We want very much to share our success with the best.
