Outside Looking In

By V. Michael Bove

HE S GONNA BE BLOWN!

HE S GONNA HIDE, TOO.

ALRIGHT, LADIES' NIGHT.

READ THESE BIKES AND LICHEE.

THREE FLIPS IN I GAVE IT A TRY. I'M NOT THAT GOOD.

CARRYS TO CLEOS' WEDDING. TO PLAY HASK. OR 'DANCE.'

They strike a fascinating dynamic.

Hello? Dr. Murphy? We have a calculus problem. What should we do?

He said to take two derivatives and call him in the morning.

By Kevin Burns

CABOT

If you are a chemical engineer, materials scientist or a chemist with an advanced degree, Cabot Corporation wants to get to know you.

We're a diversified Fortune 250 company engaged in selected areas of the energy and specialty chemicals and materials businesses with research facilities in suburban Boston and in Texas. We're looking for M.S. and Ph.D. level research engineers and scientists to join our expanding R&D and venture activities related to materials used in the electronics and chemical industries.

Get to know more about us at an informational meeting on Wednesday, November 5 from 7:00 to 9:00 p.m. in Building 4, Room 149. We will be interviewing qualified candidates on Thursday, November 6. Contact the Office of Career Services for more details.

We're out to prove you can travel first class and still save money.

- Affordable Luxury
- Style and Pleasure
- Low Weekend and Holiday Specials
- All Clean—All Late Models with AM/FM Radios and Plenty of Extra
- If you travel first class and...

NOW—WE'LL PAY YOU TO ATTEND MEDICAL SCHOOL

In fact, we'll even pay you more than $600 a month while you attend. That's in addition to paying for your tuition, required books and fees.

It's all part of the Armed Forces Health Professions Scholarship Program. And there's how it works:

If you're selected for a Physician's Scholarship—from the Army, Navy, or Air Force—you're commissioned as an officer in the Reserves.

While you're in school, you'll serve 45 days a year on active duty, gaining valuable medical experience. After graduation, you will serve three or more years, the length depending on the requirements of the Service selected and years of scholarship assistance received.

As an Armed Forces physician you'll receive officer's pay and benefits, and enjoy the advantages of working regular hours. You'll also see a diversity of patients and have opportunities to use sophisticated medical technology.

But most important, while you're in medical school we'll help pay the bills.

As an Armed Forces physician you'll receive officer's pay and benefits, and enjoy the advantages of working regular hours. You'll also see a diversity of patients and have opportunities to use sophisticated medical technology.

But most important, while you're in medical school we'll help pay the bills.
