There's a good reason your best friend never suggested you interview with Data General.

Your best friend wanted the job.

Don't blame your friend for wanting the best. We do too, at Data General.

In systems design, manufacturing, finance, sales and marketing, we hire people who have what it takes to see a project through to completion. Idea people with a good sense of follow-through tend to make it at Data General.

If that sounds like you, and you have the talent to succeed, talk to Data General before you talk to your best friend.
