Automatic and standard transmission repairs and internal engine repairs are our specialties

FORMULA FOR YOUR FUTURE!

Your college degree plus Air Force ROTC participation equals a commission as an Air Force officer. It's our formula for success.
The Air Force needs bright young men and women who are majoring in many engineering and scientific fields.
Air Force ROTC offers 2- through 4-year scholarships that can help offset the high costs of a college education, plus you'll receive $100 per academic month for living expenses. After graduation and completion of Air Force ROTC, you'll be an Air Force officer with responsibilities working in a high-tech environment with modern equipment. The Air Force can put you and your degree to good use right away.
Find out more about Air Force ROTC and what it holds for your future by contacting:
