Jim Lin

I believe that I have done a good job this past year as the Class Treasurer and will continue to do so in the future. Thanks for your support!

Member at Large

Constance A. Perrier

For the next 5 years, I would be proud to serve on the Class Council as one of the representatives of the Class of 1987, and working with the other class officers to plan our 5th year reunion. My involvement with the Class of 1987 is far more than simply being a member of the Ring Committee and Senior Week Publicity Director. I have enjoyed working with the other members of the council and hope to continue being involved with the Class of 1987 as a Member-at-Large. Thank you.

Secretary

Jennifer Buchner

I am running for the office of Class of '87 Secretary because I want to play an integral part in keeping our class members informed and involved. During the next five years we all begin new lives throughout the country and even the world. I know I can do a good job and am very excited about the opportunity of holding this office.

I have had leadership experience here at MIT, including being captain of the football cheerleading squad for two years, holding various offices in Alpha Phi sorority and currently being Class of '87 Secretary. These opportunities have provided me with the skills vital to being a good leader. I feel I can put these skills to good use as Class of '87 Secretary for the coming five years. I am responsible, dependable and willing and eager to put as much time as is needed into anything with which I am involved. I know I would be a good Class Secretary.

Please show your support and vote for me on March 11. Thank you very much.

Senior Class Agent

Elizabeth Russell

We have a terrific class, made up of a lot of capable, creative and aware individuals. We've had amazing times at the Institute and we'll soon be moving on to new adventures and great success. We'll remember M.I.T. always and profit from the excellent education we received.

We must also remember, though, that M.I.T. cannot maintain its level of excellence without the financial support of Alumni. As a student representative to the Alumni Council, I have seen how important all contributions are to continued quality. As Class Agent, I will use my energy and enthusiasm to encourage our classmates to give to the Institute.

We'll remember M.I.T. and I hope to help M.I.T. remember the Class of 1987.

Class of 1988

President

Lisa A. Martin

I would like very much to serve on the Class Council as President of the Class of '88. I feel I am best suited for this position because of my involvement in numerous activities and, most of all, because of my work this year as Vice-President '88. As Vice-President, I have gained valuable knowledge and leadership skills that will aid me in continuing to serve the Class of '88. As president, I have important responsibilities which include being a member of the Alumni Association.

I have a great interest in class council affairs and have had much leadership experience here at MIT, including being captain of the football cheerleading squad for two years. I have worked in various capacities within the football program, including being a member of the Ring Committee and Senior Week Publicity Director. I have enjoyed working with the other members of the class council and hope to continue being involved with the Class of 1987 as a Member-at-Large. Thank you.

Secretary

As Secretary of the Class of 1988 for the past two years, I feel that I have gained the necessary knowledge and leadership skills to continue in this position for my senior year. From the beginning of my involvement in Student Government, I have put a great deal of time and effort into making our class council an effective, innovative and efficient organization. Our class council has sponsored 3 Valentine's Day Carnivals, 3 pizza parties, 4 ice cream orgies, 1 M.I.T. vs. Harvard basketball game, and 6 events throughout the year, and I hope to continue this same level of activity in the coming year.

I would like to see happen in the Class of '88 are more sales, study breaks, and a pizza party/happy hour. I am excited about the opportunity of holding this position.
