**Hayden Gallery, List Visual Arts Center, well-known for unusually shaped or frag-
mentary works, presents "Dancing Shadows," a solo show by Tom Wessels. The artist,
named after "Dancing Shadows," a mysterious figure in the history of art, has been
working to bring life to the shadows of objects in his environment. His work is
based on the idea of the suspension of time and the play of light and shadow. The
show will be on display from March 24 to April 30. For more information, call
