Two great ways
to cruise through the semester.

The hand on the left is poised on what could be the most essential part of your education.
A Macintosh® computer.
And the hand on the right is gripping pure, simple, unadulterated fun.
A Honda Scooter. One we're giving away.
All you have to do for a chance to drive it away is visit your campus computer center and fill out an entry form. While you're there, take a Macintosh for a test drive.
Because Macintosh can help you write term papers, categorize elements of the periodic table, plot the rise and fall of pork-belly prices, compile computer code, and talk to other computers.
And the first 250 people on campus who get behind a mouse, so to speak, will receive a free Apple® memo board.

So head over to your campus computer center today. And ask about our Student Financing Program.
Who knows? You may soon find yourself cruising a little farther than you expected.

Test drive a Macintosh.
You may ride away on a Honda Scooter.

Enter September 14 — October 30
MIT Microcomputer Center
Room 11-209
Hours: 10 a.m. - 4 p.m.

Certain restrictions apply. Visit your campus computer center for complete promotional details. One free Honda Elite™ Scooter will be awarded per participating school, only registered students, faculty and staff are eligible to win. Odds of winning vary depending on size of school and number of entries received. No purchase necessary.
