Stop fooling around. It's time to get hardcore about software. With Microsoft.

We'll give you all the resources you want. Backed by management that is legendary in microcomputer systems, applications, languages and CD-ROM. Even a real office, with a door, so you have the freedom to think as well as mingle.

We're serious about software. If you are too, then apply right now for one of these opportunities.

**Program Managers**

Instant responsibility. You select the features, you shape the product, you design the user interface for new generations of software. Guide product development from programming through documentation and testing. Keep your product at the forefront of technology by knowing your competition and product trends. If you're about to graduate with a B.S. in computer science, math or a related major, or an MBA, we want to talk to you.

**Product Managers**

As Product Manager, you will strategize and focus efforts for marketing one of our product lines. This includes directing marketing communications, analysis, and training. As well as analyzing, forecasting, and reporting accurately. If you're about to graduate with an MBA, we want to talk to you.

There are opportunities to work with our teams in applications, systems, languages, or CD-ROM.

Microsoft offers you an opportunity to live and work where the quality of life is high and the cost of living is low — the beautiful Pacific Northwest. Along with amenities such as a health club membership, workout facilities and parcours, plus an array of benefits.

Begin by attending our on-campus interviews Monday, January 25 or Friday, February 5. Contact your Career Placement Office to sign up. We are an equal opportunity employer.
