Start Your Actuarial Career With A Well-Calculated Move

You're an ambitious, analytical type of person who can spot an exceptional opportunity when you see it. Well, here it is.

We're a major worldwide consulting firm, the largest in the area of employee benefits and compensation. And, without a doubt, we're the best place to pursue an actuarial career. You'll have the challenge and stimulation of working with the best in your field, in an environment which encourages creativity, flexibility, and professional growth.

When you calculate the advantages - the exceptional benefits and compensation, the high potential for advancement, and the chance to master your skills in a company that is an industry model - you'll be sure you're making the right move.

Visit with our company representatives and discuss career opportunities in actuarial science and employee benefits/compensation consulting. Please come to our reception at Building 4-153, 5pm-8pm, on Wednesday, January 27. We will be interviewing candidates between 9am and 3pm, Thursday, January 28.
