A unique opportunity for
Majors/Minors/Aptitudes

For you and for the world, Peace Corps will combine your education with training to prepare you for a volunteer position in:
• Education • Fisheries • Health • Agriculture • Forestry or other areas. You’ll meet new people, learn a new language, experience a new culture and gain a whole new outlook. And while you’re building your experience, you’ll be helping people in developing countries learn the basics of technological advancement.
