The Tech Performing Arts Series presents...

HANDEL & HAYDN

Jeffrey Rink will direct the Handel & Haydn Chamber Chorus and Period Orchestra in an all-Bach program to include the Brandenburg Concertos Nos. 6, Cantata No. 106 and other works. Old West Church, Boston, March 5 at 8pm. MIT price: $5.

PRO ARTE

The Pro Arte Chamber Orchestra will present a performance by four sibling violinists — Kristina, Elsa, Eric and Jenny Lind Nilsson — in Vivaldi’s Concerto for Four Violins and (three of them in) Bach’s Concerto for Three Violins. Randall Hodgkinson will also perform Mozart’s Piano Concerto No. 29, Sanders Theatre, March 13 at 8pm. MIT price: $6.

MUSICA VIVA

The Boston Musica Viva will give a program entitled “Jazz Airmonts,” which includes the US premiere of Paul Green’s play Bobby Johnson, Jordan Hall, March 18 at 8pm. MIT price: $5.

Tickets are on sale at the Technology Community Association, W20-450 in the Student Center. Office hours posted on the door. Call 22-4883 for further information.

Call It:

Like more cheese, more pepperoni. A little more cheese, a little more pepperoni.

PHILIPS LABORATORIES

Briarcliff Manor, New York

If you're undecided about what career step you take —

you should consider Philips Laboratories.

PHILIPS LABORATORIES, the research division of North American Philips Corporation, is seeking highly qualified individuals to join an M.S. or Ph.D. in relevant disciplines to work in the fields of:

- Materials Physics
- Solid State & Surface Physics
- CAD for Integrated Circuits
- Artificial Intelligence
- Robotics & Advanced Automation
- Micromechanics & VLSI Design
- Video Signal & Image Processing
- Advanced Television Systems

Affiliated with the worldwide Philips family of research laboratories, PHILIPS LABORATORIES offers immediate career opportunities within a growing international organization, which are professionally challenging, intellectually stimulating, and culturally enriching.

Competitive salaries, a full benefits program, an attractive work place over looking the Hudson River, and flexible career-oriented management make working for PHILIPS LABORATORIES a rewarding opportunity.

If you are unable to see us during our visit, you're invited to Human Resources Representative, PHILIPS LABORATORIES, 365 Scarborough Road, Briarcliff Manor, N.Y. 10510.
