A private partnership, O'Connor is the leader in the options and futures marketplace. We trade, for our own account, a growing list of financial products in domestic and international markets. We are recognized as a pioneer in the application of sophisticated analytical techniques for valuing and trading derivative securities.

Our excellence as a trading firm relies heavily on the interaction among our Trading, Systems, Quantitative and Fundamental Research groups. Their interdependence enables O'Connor & Associates to excel in accurate theoretical valuation and in the practical application of that theory in the marketplace.

Achievers who are committed to excellence succeed at O'Connor. We seek exceptional individuals with quantitative, analytical, and problem-solving abilities, entrepreneurial spirit, and competitive instinct to join our team. The trading environment is intense, fast-paced, and demanding--meet us and learn more!
