Good Grief. Good News.

**TI 84 Advanced Scientific Calculator**

TI designed its advanced scientific calculators to help cut science and engineering problems down to size. It’s more than an ordinary calculator to help make an extraordinary future scientist or engineer.

**The TI-84 Advanced Scientific Calculator**

- TI’s advanced scientific calculators for high school students and engineers.
- Designed with all the right scientific, mathematical, and statistical functions you need.
- Customizable scientific calculator with flash memories.
- Storage and organize your programs, data, and notes in the Flash Memory.
- Includes 200 scientific functions and 10 programming steps for repetitive calculations.

**TI-84+ TECHNICAL ANALYZER**

The TI-84+ TECHNICAL ANALYZER offers all the tools to launch the TI-84+ and a step-by-step learning environment. Mighty physical constants, decimal programming, and CAD-oriented programs can help solve problems in the complex technical world.
