FOR THE BEST DEFENSE AGAINST CANCER, SEE YOUR DOCTOR ONCE A YEAR AND HIM ONCE A WEEK.

He may not look like everybody's idea of a cancer specialist. But there's strong evidence that your greengrocer has access to cancer protection you won't find in any doctor's office. Like broccoli, Peaches, Cante-loupes, Spinach. And other sources of Vitamin A related to lowering the risk of cancer of the larynx and esophagus. Not to mention sweet potatoes, carrots, pumpkins, winter squash, tomatoes, citrus fruits and brussels sprouts. Vegetables such as cabbage, broccoli, brussels sprouts, kohlrabi and cauliflower may help reduce the risk of gastrointestinal and respiratory tract cancer. Fruits and vegetables (and whole grain cereals such as oatmeal, bran and wheat) may help lower the risk of colorectal cancer. In short, make sure you do what your mother always told you to do. Eat your vegetables.

GRADUATE STUDY IN EE AT CALTECH

Dr. R. David Middlebrook, Professor and Executive Officer of Electrical Engineering, will visit the campus on Friday October 21 to discuss opportunities for work in EE leading to the PhD degree at Caltech. Dr. Middlebrook will give a short orientation talk at 9 am, to be followed by drop-in time until noon. Electrical Engineering faculty at Caltech are engaged in the following research areas:

- Solid-state electronics
- Quantum electronics and lasers
- Power electronics
- Communications
- Digital Microsystems
- Controls
- Millimeter-Wave integrated circuits
- Pattern recognition
- Optical information processing

MIT Engineering Students:
Let Ford introduce you to the year 2000

Pre-Interview Mixer
Monday, October 17, 1988
7 to 9 p.m.
Bldg./Room 4-159

Meet representatives from Ford Electronics Division on campus and discover how our engineers are preparing for the year 2000 and beyond. We can offer you a career that will take your imagination and expertise farther than ever before.

If you will graduate with a BSEE or BSME, and would like to have a profound impact on driving in the year 2000, join us at our Pre-interview Mixer. To arrange an interview, sign up in your placement office.

Ford has designed and built the highest quality American cars and trucks for eight years running.

By choice, we are an equal opportunity employer.
