Discuss Your Future With General Electric

Who?

BS and MS candidates in electrical engineering, computer science, mechanical engineering, chemical engineering, aeronautical engineering, and nuclear engineering.

What?

The General Electric Technical Recruiting Team will be conducting campus interviews at the Placement Office for challenging career opportunities within one of the most diversified companies in the world. Contact the Placement Office to schedule an interview with one of our technical managers. Various entry level alternatives are available, such as:

- Edison Engineering Program
- Manufacturing Management Program
- Chemical-Metallurgical Management Program
- Software Technology Program
- Individualized Direct Placement

Opportunities exist in such fields as:

- Artificial Intelligence
- Expert Systems
- VLSI
- Robotics
- CAD/CAM
- Computer Graphics
- Plastics
- Metallurgy
- Ceramics
- Software Engineering
- Signal Processing
- Controls

For more information on these programs and the major business areas available, refer to the General Electric file located in your placement office.

When and Where?

Thursday, February 16th and Friday, February 17th at the Placement Office.

What else?

Sign-ups have commenced.

The future is working at General Electric

An equal opportunity employer

PARSONS

SCHOOL OF DESIGN

Special Summer Programs

Parsons in Paris

June 29-August 14

Parsons is located in the historic and legendary Left Bank of Paris, Paris is the art capital of the world. Courses focus on the liberal arts and the liberal arts. Students may choose to spend the last two weeks of the program in Florence, Italy.

Photography in Paris

June 30-July 21

Study both the aesthetic and the cost of photography in the city that has inspired great photographers for over 150 years. Guest lecturers and visits to famous galleries supplement the curriculum.

Fashion in Paris

June 29-July 21

Study the history and contemporary trends of French fashion design through visits to Paris museums and costume collections. Guest lectures and visits to design studios and retail outlets are part of the program; as are daily classes in fashion illustration.

History of Architecture and Decorative Arts in Paris

June 30-July 31

The program focuses on the history of French architecture and decorative arts. Excursions to points outside of Paris are included. Last summer, students visited Versailles, Le Vésinet, and Fontainebleau.

Modern Paris

June 30-July 31

Combining a program with drawing, this program focuses on the development of Paris in the modern period (1850 to the present).

Paleolithic Art and Archaeology of the Dordogne

Errata

Eric Reifschneider '89 and Lisa Axel '92 were not the only two MIT gymnasiums over to be named Eastern College Athletic Conference gymnasiums of the week, as was reported in The Tech on Feb. 7. Vic Campione '85 also received the award in 1985. Also, it was the woman's, and not the men's, gymnastics team that lost to Salem State College on Feb. 4.

The Year in Review supplement to The Tech (Feb. 7) incorrectly reported the division in which the MIT men's volleyball team played. It is an NCAA Division I team.

Joe Jones '89 takes a shot at Suffolk's goal in Tuesday's game. The Engineers suffered an 11-0 defeat.

Jackie O. Greer
