UNIX PROGRAMMER WANTED  
Small company wants programmer with extensive experience in graphics or CAD/CAM systems. We have a project to port an existing CAD/CAM system from VAX/VMS to a UNIX environment and we need your help. You must be familiar with the C programming language. You must have developed a graphics package or subsystem and understand at least one graphics programming environment, such as GKS or an equivalent system. We will pay you well, and you'll have the stimulation and challenge of working for a top-notch software engineering and development organization.  
Part time, summer, and full-time employment arrangements are possible. Call today and ask for Rick Comenzo.
