Students and students' administrative affairs: academic departments and other groups - both within and outside MIT - sponsor meetings, events, and other activities in the Tech! Noticeboard, local laws of interest, and class meetings at various times, The Tech, Massачusett5, or in the Sunday Night News. The Tech is available for purchase at various stores in the Tech! Noticeboard area. Notice of special events is given to current MIT students and others who have been invited.

**Trainings and Seminars**
All tech students are invited to submit a statement that provides information about the trainings and seminars they have attended. The statement should include the title of the training, the location, the date, and the purpose of the training. The statement should be submitted to the Office for a scholarship of the trainings.

**Funding for Trainings**
Funding is available for all departments and members of the MIT community in the Employee Exchange, building 530, every Tuesday and Thursday from 5-7 pm. Students who have been visiting MIT Tech! Noticeboard are invited to participate in the training.

The Science and Humanities Libraries (Sibley Student Library) are open from noon Monday to 8 pm Friday. From midnight to 8 am access to the library is limited to members of the MIT community. Circulation and reference services are not available at night.

**The Old Campus Housing Services**, members of the community who are interested in housing or who are looking for housing to connect our office in 50b-511, 1-743.
