Students enforce rush rules

Column on hostages displays narrow view

Understanding the aspirations of the ordinary people in Lebanon and occupied Arab lands whose relatives languish in Israeli prisons is not as straightforward as it might seem. The war in Lebanon has complicated the situation, and the hostages are suffering as a result. It is necessary to maintain a focus on the hostages and their families on both sides.

The hostages are suffering as a result of the war in Lebanon. It is necessary to maintain a focus on the hostages and their families on both sides.
