ARA initiatives successful

(Continued from page 1)

Dinner for28 people. This way, a greater variety of cereals may be offered, be explained.

More renovations

Upcoming changes for this year include renovation of the Memorial Dining facility and of Refresher Course. ARA wants to improve the architectural mood of Willard Memor-
ality, at Willard is not being referred to beyond the building's names. "Practically speaking, the equipment, the
domestic work doesn't work properly. It's time for changes," Leo said. These areas will be added during Independent Activities Period.

Changes are planned for Lobdell Court as well. A permanent

Student organizations, administrative offices, academic departments and other groups

during French television. The network wants to keep with the Americans' sensibility. Practical speaking, the war will be handled with the pastasoldering machine and three pasta cookers in full view. Also, a panorama of Dolynomial Donuts area will be added. Finally, the current convention section will be more

solid, it probably is given to official Institute meetings and activities. Period, we are always welcome. For info, call 733-3269.

Sunday, October 5
