New immigration law to affect student jobs

(Continued from page 1)

about the real motives for the regulation changes. Maybe they are just a small step required to justify allowing foreigners to work. I don't foresee any problems with summer jobs," Levak thought otherwise, saying, "MIT doesn't really have much say in jobs off campus and getting permits, but there are some exceptions. The curriculum of the 1-A [Electrical Engineering and Computer Science Cooperative Program] student is not going to be affected because co-ops and internships have not been abolished by the new regulations."

"Still, I would like our students not to be deprived of other job experiences; I feel that these regulations are really a loss for us. But there is a glimmer of hope. The National Association for Foreign Student Affairs has told us that they get offers so many sections," he said. "With a little bit of speaking background, Chinese II "with a little bit of speaking background," he said. "I know a word of Chinese," and, Plain Boiled Rice: $1.95
