I am a successful but happily married man who makes money. Street is now serving time in a federal magazine reporter for the sake of getting at the big white-society rip-off. There really is a ing public. No, this is not another Eddie his "gifts" to run con games down to the Coolidge Corner Theater and see the black experience is much larger than present-. For a rather pleasant attitude adjustment. The film's Douglas Street (Harris) is an right out of art school, Harris portrays the role of a surgeon, Horton. This plan fails miserably, but gives Harris' head can handle. I only hope his next work will be this interesting. Connelly performs well in Medicine Man

**Discussion Your Future With General Electric**

**Who?**
- BS and MS candidates in electrical engineering, computer science, mechanical engineering, chemical engineering, aeronautical engineering, and nuclear engineering.

**What?**
- The General Electric Technical Recruiting Team will be conducting campus interviews at the Placement Office for challenging career opportunities within one of the most diversified companies in the world. Contact the Placement Office to schedule an interview with one of our technical managers. Various entry level alternatives are available, such as:
