Bankers Trust Research Award

Bankers Trust will sponsor a research award. First year MBA students and all SB and SM candidates are invited to participate.

To compete for the award, you must prepare a proposal, no longer than 3 single spaced typewritten pages, outlining your specific topic within the designated subject area. Students may invite a professor to counsel/advise them on their proposal, but this is not mandatory. Proposals must be submitted by March 2, 1992, to:

A.T. Bellino, SVP
280 Park Avenue, 20 West
New York, NY 10017

You may choose any one of the following topics:

- "Industrial Strength Object Oriented Technology"
- "Technology and the Globalization of the Financial Market"
- "Visualizing Data for Decision Making"
- "Workgroup Computing"

Proposals will be reviewed by members of the Technology Department working at Bankers Trust. The finalists (3 at most) will be asked to visit the Bank and verbally discuss their proposals.

A winner will be selected by mid-March. The winner will receive a $10,000 grant payable in two $5,000 installments; one at the beginning of the summer, the other upon submission of the final report.

It should be noted that this is not an internship. The winner will have complete freedom to conduct his/her research over the summer months. Bankers Trust will provide a mentor to touch base with, work space if requested, and access to all relevant information regarding the research being done.

Additional information about Bankers Trust is available from Bob Weatherall and Linda Stantial.
