NEIL GAIMAN AND TERRY PRATCHETT
"The end of the world will begin this Saturday night!" That's what the powers that be have just told their agents on Earth. Gee, an angel, the proprietor of a used book store. The other is a demon (and the proud owner of a Bentley). Neither is happy about the news, so they team up to stop the impending catastrophe. And when an angel and demon join forces, nothing is sacred!

"If you saw the humor in The Omen...if you topped all the Monty Python comedies and if you regularly re-read Douglas Adams' The Hitchiker's Guide to the Galaxy, then Good Omens has arrived just in time."

—Detroit Free Press
