Brain power.
Now available on the installment plan.

Here's a way to learn faster and work smarter without putting a lot of cash down. It's called the Apple Computer Loan.

Right now, qualifying students, parents, borrowing on behalf of students, and faculty and staff members with an annual income of at least $15,000, can purchase an Apple Macintosh computer system using a special financing plan set up just for you.

Apple to borrow from $1,500 to $10,000 for your plan, and up to three software packages.

For all of your computer needs visit the MIT Computer Connection
Student Center Lower Level
or call 253-7686

*For all customers, Apple's 5 week computer science course in Boston or New York includes a Macintosh, plus a $1,500 loan from the Apple Computer Loan. Not available in all locations. Contact your local Apple Computer Connection for more information.
