Software Engineers - to accept the challenges of technology proliferation with an aggressive start-up company developing state-of-the-art technology for a new field of Flexible Software Engineering. Talent and hard work are the only prerequisites for your success. We will be at the career service office on March 19th. Come visit with us.

Software Emancipation Technology, Inc.

BRINGING UP CHILDREN SHOULDN'T BE HARDER THAN IT ALREADY IS.

Melissa Cole is confined to a wheelchair. Each day her mother would carry her up three floors to their apartment. Then Roxbury Multi-Service Center found them more accessible and affordable housing.

STRESSED TO EXCESS?
If you're managing the stress of being a student at MIT by gritting your teeth and biting your nails, hear MIT health educator, Janet Van Ness, describe more aesthetically-pleasing and effective strategies.

Wednesday, March 11 at 9:30 pm
Student Wellness Center Room 547 of the Student Center.
