U-TALK
x8-8255

Current topic:
Academic honesty at MIT

Similar to the Lobby 7 flame sheets, U-TALK serves as a medium for discussion of controversial issues. You will be able to listen to opinions on a topic and record your own ideas. All recordings will be publicly available for other callers to listen to. System usage will also be analyzed for research purposes. Future topic suggestions or comments can be directed to Gwendolyn Lee at wendy@athena.mit.edu.
