Soggy Weather Does Not Dampen Spring Weekend

Chair. "Mother Nature was just not cooperative this year — there was no spring in Spring Weekend," said Richard C. McKern '94, a chair of DU's annual event. "It started to rain halfway through the Steak Fry, and we had to move to the Johnson [Athletic Center] overhang. Despite the rain, all 500 steaks were grilled and eaten, as were 50 gallons of ice cream and "lots and lots of fries," McKern said.

Charity money raised

Like the Steak Fry, Theta's first annual Musical Chairs event was forced to move from Briggs Field to the Johnson Athletic Center overhang. The rain, however, seemed to affect the event's turnout, since "a lot more tickets were sold than people who actually attended," said Theta Community Service Chair Shally Bansal '93. Although exact numbers were unavailable, Bansal estimated that at least 60 people were present for the event, and more than $250 was raised for Court-at-Olodge.
