Deceit? manipulation?

the Boston Church of Christ

mind-control? heresy?

the Boston Church of Christ is the Christian Student Association at MIT

You are invited to attend a presentation by Steven Tsoukalas, of Sound Doctrine Ministries. An examination of the doctrine & practice of the Boston Church of Christ will be documented & reviewed. A former member of the Boston Church of Christ will speak from experience.

We especially invite new participants in the CSA or the BCC to attend. If your leadership doesn't want you to attend, ask yourself why?! You owe it to yourself to seriously investigate issues about your involvement.

Thursday, April 30, 7:30 PM,
Mez. Lounge, 3rd Fl., MIT Student Center
Sponsored by Campus Crusade for Christ

Jim's Journal

by Jim

I worked the cash register at the copy store today.

Hal told me he tried calling me to work extra hours yesterday but I wasn't home.

I couldn't figure out what happened because I was home all day yesterday.

"No biggie," he said. "I gave the hours to Joe."

DO YOU HAVE IDEAS FOR PRODUCTS?

We are a start-up company looking for ideas (preferably patentable) that can be developed into consumer or commercial products. We bring many years of successful experience in the management of Finance, Marketing, and Manufacturing Operations. If your idea is chosen, we will develop it from prototype to final product. You retain all rights, and have no financial responsibility. If the product is successful, you will share in the profits, if it is not, you lose nothing.
