Sen. S. 8, 3 a.m.

Smith, 8, 11 a.m.

At Harvard University, Sanders Theater

August 9, 8 p.m.
At the Boston Marriott

While meeting the challenges of modern life.

August 7, 8 p.m.
	
We are a Multi-media Production company with software

eering positions available in Southern California.

Wants: People seeking meaningful memories of a therapeutic experience.

The Trauma Clinic, affiliated with The

These therapies involve the developing a medication which helps people who are too afraid to talk about their past or who may need support to deal with their medication. If you are interested, please complete

B: How often do you have 30-60 minute therapeutic sessions?
4: How many people are in your group?
Q: How would you describe your own personal rehabilitative process?
F: How many years have you been doing this?
O: What is the difference between the "addiction" and the "dependence"?
I: How can someone get more information about your services?

Those interested in joining the community and learn more about our programming are encouraged to attend one of our upcoming info sessions.

Join The Tech!

A: I would like to change the world.
