Stop!

Don't Buy Your Computer From Anyone Else!
(At least until you see what we have to offer.)

We offer MIT students educational discounts on Apple Macintoshes, Dell PCs, DEC workstations, IBM PS/2s, Hewlett Packard printers, NeXT and Sun workstations! We’ve also got software, peripherals and supplies of all kinds—like hard drives, printers, diskettes, paper, and more...

If you’ve already got a Macintosh or a PC, check out our extensive library of public domain software & shareware. You can get games, utilities, and programs just by copying them onto your own diskettes!

Our sales consultants are always around to answer your questions or to demonstrate any of our products.

STOP by this Saturday, October 17, during Family Weekend between 10:00am and 4:30pm in the lower level of the Student Center.
