Women's Cross Country Takes Third Place

By Agnieszka Reis

The women's cross country team turned in a third place performance at last Saturday's New England Women's Eighty-chi-

palky. The team took home 240 points to Third Place behind Middlebury's 66 points. This was the team's best finish in the past few years at this event.

Leaders Marjorie Dick '95 and Stephanie Vincent '95, who finished third and fourth in the four mile race and second and third place respectively, were named to the All-Conference team.

Sponsor, who is only in her first season of racing, was very pleased with the meet. She said, "It was a very good race. The course was relatively easy, and there were lots of people out there running and cheering us on. Such a festive atmosphere made us want to run fast."

Dolo and Stephens were both sponsored by Congenics Reis in 1983 with a time of 20:34. Bradford Benson and Cynthia Mowry in 2:11 and 2:21 and 2:30, respectively, were named to the 1992 All-Conference team.

Saturday's race was a strong overall team performance, according to Coach Errol Tran.

We'll be working hard over the next few weeks, preparing for our last two meets. The meet today at Boston's Franklin Park.

He also caught eight passes in Saturday to become the first MT player to catch 50 catches in a season (32). Sgouros completed 13 of 24 passed Saturday. The 24 attempts gave Sgouros the single season record for passing attempts with 169. The 13 completions enabled Sgouros to pass the mark of Bostin shoppe set in 1979. Sgouros now has 84 completions on the season. Additionally, Sgouros is only 10 yards behind Wrobel's record for passing yards in a single season.

Tennis Team Returns with National Division III Championship

The recent passing of legendary Brooklyn Dodgers announcer Red Barber, rooting in an unusually fashion with the Fall Classic, inevitably brings forth comparisons between the legendary announcer and the one most likely to follow his footsteps. "...started with the Storied broadcast era..."

Barber, coinciding in an untimely fashion with the annual fall's broadcast era..."

Barber recently brought forth comparisons with the current crop of young announcers, especially those who will help him win another World Series.

Critics can say all they want about the flagrant disregard for the rules. However, the Rams have lost their last 11 games.

Rams coach Bruce Wrobel set a single season record in 1991 for passing attempts, 504. Wrobel also led the country in passes attempted per game last season. Additionally, Sgouros is only 10 yards behind Wrobel's record for passing yards in a single season.

MT's remaining matches are at home on the next two Saturdays, October 24 and 31.
