Today is Election Day. We urge all registered voters to go to the polls today to express their hopes for the future of this nation. We are distressed by recent elections denigrating the choice for president and expounding apathy for the entire electoral system.

Failing to vote has very serious consequences. A low turnout does not make the process easier or more effective within the context of this election.

EDITORIAL

Letters to the Editor are welcome. They must be typed, double-spaced and addressed to The Tech. The Tech reserves the right to edit or condense letters. Shorter letters will be given higher priority. We regret we cannot publish all the letters we receive.

OPINION POLICY

Letters are written by individuals and represent the opinion of the author, not necessarily that of the newspaper.
