Hey, College Students...

GET THIS
WITH THIS

The ExtraCredit Card provides you with more miles of skiing than any other resort in the East, 77 miles as a matter of fact—and spread over 6 interconnected mountains. Now this year, is the Canyon Quad chairlift which accesses some of Killington’s steepest and most challenging terrain. Killington has also increased its snowmaking capacity by 30%. So before you spend more money for less skiing, check out Killington’s ExtraCredit Card, available only to you, the full-time college student!

For more information and to order your ExtraCredit Card today, call:
1-800-372-2007 or 802-773-0755

Who?

Some information about the event is missing. It appears to be a student information session about career opportunities at General Electric. The session will discuss various career entry paths from MIT to GE, including Development Programs such as Engineering Development Program, Manufacturing Management Program, Chemical-Metallurgical Management Program, Software Technology Program, Information Systems Management Program, and others. The session will take place on Monday, November 16, from 7-9 pm at Building 4, Room 149. Light refreshments and handouts will be provided.
