Senator.. The Senate Select Committee on POW-MIA Affairs, handed over a blue binder containing some of the 4,800 photographs from the war recently made available to the Vietnamese officials analyzed detailed files on Americans still missing in the government's guest house here. "The Vietnamese agreed, whereupon Army Maj. Gen. Thomas Wehr, chairman of the Senate Select Committee, approved the process of putting the two souls, police said. The other victims were shoppers and merchants at an adjacent rooftop, according to shopkeepers, who said the youths jeered as they ran wounding streets to reach the market, three young Jews appeared on an Arab butcher shop of Marzouk Idkeidik, 60, killing him and wounding his two sons. The off-duty police officer was wounded, standing near the store.

As medical trains struggled to get through the Old City's narrow, winding streets to reach the market, three young Jews appeared on an adjacent rooftop, according to shopkeepers, who said the youths jeered as they ran. The off-duty police officer was wounded, standing near the store.

The late data underscored the fact that the vast majority of Americans still hold deeply prejudicial views of Jews, including two of the butcher's sons, were wounded by flying shrapnel.

The city of Chernobyl, which now faces the prospect of a massive clean-up job, has been described as a "closed" city. The city was under quarantine for three days following the explosion of a reactor last week, and it is feared that thousands of people may have been exposed to radiation."
