SO YOU’RE GOOD IN MATH

If you have a strong math aptitude and a business orientation, (math major not required) the actuarial profession offers unlimited career potential.

The Equitable, a financial giant, is one of the nation’s largest life insurance companies. As a member of our Actuarial Development Program, your skills will be developed through a series of varied job assignments and continued formal education.

A unique work-study summer internship is also available. (Housing provided for interested students.)

To schedule an interview on February 5 for a summer or full-time position submit your resume at the Office of Career Services by noon on November 30th.

Technical Opportunities at First Boston

First Boston, a major international investment bank, headquartered in New York City, will be conducting on-campus interviews at MIT for the Technical Associate Program in the Information Services Department. We are looking for Seniors with analytical and computer skills who want exposure to the world of finance. First Boston uses the latest advances in hardware and software technology to create systems crucial to our success in the financial marketplace. If you are interested in helping shape the future of Wall Street through technology, this program will be of interest to you.

We will be recruiting on campus for full time positions on:

Wednesday, November 18, 1992

Sign up for our open schedules through the Office of Career Services no later than Tuesday, November 17.
