Nothing has greater influence than the perfection of a concept. By virtue of crystal clear reasoning, the imagined becomes possible. And the world is transformed.

Here at Bellcore, the spirit of achievement is reflected in everything we do. As one of the world's leading centers for advanced telecommunications research, our over 8000 employees are encouraged to make breakthrough discoveries in such far-ranging spheres of influence as:

- Applied Research
- Operations Technology
- Software Technology & Systems
- Information Networking Services
- Network Technology

Currently we have openings at our northern and central New Jersey locations for individuals with a BS, MS, or PhD degree in Computer Science, Computer or Electrical Engineering. Positions are also available for PhDs in Mathematics, Statistics, Operations Research, Physics, Chemistry, Materials Science, or Human Factors Engineering.

Sign up at the Career Planning and Placement Center to meet our recruiters on campus February 10 and 11.

To make the most of your future by developing the future of communications, write to Bellcore today.
