Clever and funny Amos & Andrew satirizes stereotypes.

Amos & Andrew

Written and directed by D. Hax Fran.

Starring L. Jackson and Thomas Carter.

Directed by Joshua M. Andresen.

Loews Copley Place.

Directed by Thomas Carter.

The acting in this movie is impeccable.

The show-stopping dance sequences in this film are pure fun, drawing a strong contrast to the gritty party scene with singing and dancing that they can not be mere members of the Nazi party. Their actions are always per- tion for his role. His actions are always per-

Leonard definitely deserves an Oscar nomi-

Paints a picture of the world through young eyes, making an excursion into the world of Swing Kids.

The instruction video for "hostage," discovering an American swing party.

The story's material and the diag-

The result is a well-filmed scene of confusion.

The screenplay is clever, the camera work, entertaining, and funny. All the characters are believable, and the film is, if not a must-see, definitely worth seeing.
