Unfortunately, this is where people are putting too many retirement dollars.

Every year, a lot of people make a huge mistake on their taxes. They don't take advantage of tax deferral and wind up sending Uncle Sam money they could be saving for retirement.
Fortunately, that's a mistake you can easily avoid with TIAA-CREF SRAs. SRAs not only ease your current tax-bite, they offer a remarkably easy way to build retirement income—especially for the "extras" that your regular pension and Social Security benefits may not cover. Because your contributions are made in before-tax dollars, you pay less taxes now. And since all earnings on SRAs are tax-deferred as well, the money you don't send to Washington works even harder for you. Down the road, that can make a dramatic difference in your quality of life.

What else makes SRAs so special? A range of allocation choices—from the guaranteed security of TIAA to the diversified investment accounts of CREF's variable annuity—all backed by the nation's number one retirement system.

Why write off the chance for a more rewarding retirement? Call today and learn more about how TIAA-CREF SRAs can help you enjoy many happy returns.

Benefit now from tax deferral. Call our SRA hotline 1-800-842-2733, ext. 8016.

Although many seniors have not yet heard of the senior project, reactions from those who have seem positive.
"I think it's a great idea except I am a little cynical about whether it will work out and people will put things in the right container. But I am proud of the idea," said Sarah L. Whitley '93.
"I think it is a pretty creative idea except each bin seems a little expensive. But we're giving something that is going to be used," said Candy L. Ober '93.
