UROP

MIT Laboratory for Computer Science
UROP Summer Studies Program, 1993

This summer program is intended for undergraduate students who are interested in participating in research projects in the Laboratory for Computer Science. Although no prior experience is necessary, pay under this UROP Summer Studies Program is commensurate with experience, and the program is open to all undergraduates not currently or formally associated with the Laboratory. Students are expected to continue work in the fall semester (either for credit or for pay). We hope to identify creative and energetic undergraduate students interested in computer science and to encourage their development. An information meeting will be held:

Monday, March 29, 1993, NE43-518 4:00 pm
If you are unable to attend but are still interested in the program, send e-mail to leoralcs.mit.edu.

The Position: We are looking for a few good software developers to work in a dynamic development environment.

The Firm: Bloomberg L.P. is a top financial information and analysis firm providing sophisticated analysis for investment professionals worldwide.

Requirements: A background in engineering, mathematics, computer science, finance, or economics and at least 2 semesters of programming coursework.

What to do: Please submit resumes and cover letters to your Career Center or send to Ann Hartnett, Bloomberg L.P., 499 Park Avenue, NY, New York, 10022 by March 19, 1993. You may also register for an interview during your Career Center's open registration period.

For more information: Visit your career center for more information on our firm and on the position.

Bloomberg L.P., an energetic and fast growing firm, is visiting MIT on April 1st.

Solutions from your Apple Campus Reseller:
the computer you'll use in school and after school.

The new Macintosh Centris' 610 computer has all the power you'll need today — and tomorrow. Its 68040 chip speeds through word processing, spreadsheet and graphics programs. It's expandable up to 68MB of RAM, giving you lots of room to grow. And, Macintosh is the most compatible personal computer you can buy. See the new Macintosh Centris 610 today at your Apple Campus Reseller, where you'll get special student pricing, as well as service during college. And discover the power more students choose: The power of Macintosh, the power to be your best.
