HUNTER: THE STRANGE AND SAVAGE LIFE OF HUNTER S. THOMPSON
By E. Jean Carroll.
Douglas. $25.95, 341 pages.

By Douglas D. Keller

"In Hunter: The Strange and Savage Life of Hunter S. Thompson, E. Jean Carroll brings to her bear unique biographical style on the "gonzo" journalist who has written for the New York Times and The New Yorker. Carroll's biography is not only a reflection of her personal relationship with Thompson, but also a comprehensive look at his life and career."

Hunter: The Strange and Savage Life of Hunter S. Thompson
by E. Jean Carroll

The picture we get of Thompson is one of a "hunter," an individual who finds the thrill of discovery in the unknown. He was a man of contradictions, a mix of mainstream and outsider identities, and his life was a story of constant movement and change. His work was a reflection of his worldview, one that was both critical of the mainstream and deeply rooted in the counterculture movement of the 1960s and 1970s. Thompson's legacy is one that continues to inspire and influence, a reminder of the power of the written word and the ability of the human spirit to break free from convention.
