DR. WILLIAM I. KOCH

1992 America Cup: Teamwork, Technology and Talent = Victory

Dr. Koch will describe the approaches and procedures he used in winning the 1992 America's Cup Match. Two notable differences between his approach and other aspirants for the oldest trophy in sports are Dr. Koch's emphases on teamwork and technology. Through a technology development program based on a scientific background and a disciplined approach, Dr. Koch's team, America's fastest boats amongst the ten competing teams. The use of a technical and design team introduced more useful ideas into the effort than could have come from a more traditional effort involving a more restricted set of individuals.
