"Hi, Dad, it's your favorite daughter. . . . Yeah, well being an only child has its perks. . . . Oh, college is a blast. . . . The usual stuff -- English, history, math. It's like caffeinated high school. The car? Fine. Well it broke down when I first got here. . . . Good guess, but it was the alternator. This isn't English as much of The page

from you." Stay close by calling with ACUS Service.
